Hospiscare
Caring in Exmouth & Lymstone

Set up a regular donation and become a 'Friend of Exmouth & Lympstone Hospiscare'

"I make a regular gift donation to Exmouth & Lympstone Hospiscare so they can rely on a dependable income to enable them to continue to support patients and their families in my local community"

Things you need to know about Exmouth & Lympstone Hospiscare

We are a local independent charity providing support to patients of medical practices in Exmouth & Lympstone who have been diagnosed with a progressive life limiting condition.

We provide a palliative care service seven days a week 24 hours a day and our services are free of charge to everyone who needs them.

Our team of volunteers provide transport for patients, a sitting service to help carers and bereavement support.

No financial support is received from the Government or Clinical Commissioning group.

The cost of running our charity is in excess of £350,000 per annum which is why your donations are so important to us.

" We are in awe at the all-round knowledge and professionalism of the Clinical Nurse Specialists and the fantastic support and back up of each member of the team, there is always someone to talk to should a problem arise. The follow up is amazing such that if our key nurse is unavailable then someone will take over the notes and make a call to us just to make sure everything is ok, even at weekends"

How your donations make a difference.....

We rely on voluntary donations to support the services we offer and regular giving provides us with a reliable source of income that we can direct to where it is needed most. Your regular donation allows us to plan ahead more effectively enabling us to continue to offer the best care and support to our patients and their families.

Here are some of the ways that our patients benefit from your donations.....

£150

Covers an 8 hour shift from our Hospiscare @ Home team, giving specialist care by the bedside in patients home.

£61

Would man our overnight advice line for a night so that our patients and carers can speak to our specialist nurses in the middle of the night.

£29

Pays for a one hour visit to a patient by one of our Clinical Nurse Specialists.

£10

Would pay for one of our Volunteer Drivers to take a patient to a hospital or doctors appointment.

How to become a 'Friend of Exmouth & Lypstone Hospiscare'

Simply fill out the Registration Form at the back of this leaflet and return it to us with your preferred payment option.

In return for your generosity you will receive regular newsletters and information about upcoming events and an annual invite to a 'Supporters Thank You Evening'
